THANK YOU

Another important group to say THANK YOU to is Charlotte Hancock and Dianne Hayes who keep our pews supplied and tidy; and the WONDERFUL LADIES who are always in the kitchen doing whatever, whenever it is needed concerning food: Fredia Ellington, Barbara Ragan, and Tempy Hoyal and also to Mickey Rawls for his tasty casseroles at the "Welcome Brunch". And you know "we" Methodist do a lot of food activities so they stay busy. Thank each of you for volunteering above and beyond!!!!!!

NO youth this Sunday, Holiday Weekend.. Enjoy the 4th WEEKEND!!!

Each day God's grace astounds me, each day I find yet another reason to love God even more! David wanted nothing more than God, Paul was exactly the same, and from what I have seen developing in my life I see why they had such a passion for our God. God's love encompasses me, God's love fulfills me, and protects me. God's love strengthens me, and empowers me to be bolder than I ever thought possible. I will admit there are days that I think I can't give anymore of myself and time to filling and pouring into others. I have sat in my truck before work and cried out to God, "I don't have any more to give, I have been used up and poured out," but grace abounds and I open the door and a smile covers my face. The ever flowing well has just filled me again to pour into others yet another day. We are merely broken pots that God uses to water those that have become dry to love and the joys of the Father in heaven. God allows the shattered parts of us to comfort the broken around us. God is amazing at how He continually uses the worst in us for the greatness of His kingdom. On days you feel used and ready to give in, DON'T, don't rely on yourself, rely instead on the life giving spring of love that flows freely from the Father. As the waters flow, you will gain the passion for God that the others before us have shown, and that very passion can flow out to those around you and fill them with a love that just can't be described!

"My grace is sufficient" He tells us, and oh how wonderful it is.....
