Thomas

John 20:24-29 tells us that Thomas was not with the other disciples when they saw the risen Jesus. Thomas said, unless I see for myself, I will not believe. A week later Thomas was with the group when Jesus appeared among them. Jesus told Thomas to look at Jesus hands and to touch His side. Stop doubting Thomas and believe. Thomas said, "my Lord and my God." Thomas saw and believed. In fact over 500 people saw the risen Jesus. May we in faith say, my Lord and my God. May this be the testimony of our life. Go out and live like resurrected people rather than defeated people. Live with joy and hope.

See you in church Sunday!
Pastor Eddie

THIS SUNDAY... Lets do something fun.. BE ON THE LOOK OUT FOR A REMIND 101 TEXT.....

LAST DAY TO CANCEL BIGSTUF is April 4th if you have decided you can't go with us in June

RUSH WEEKEND May 12th

Is your walk with Jesus lukewarm? Is the life you are leading filled with chasing after the world or chasing after God? Are you willing to bear the cross in order to follow the Lord. I at times wish I could avoid the cross, I wish it would just all be the smooth path, and the pain of nailing my selfish desires to the cross did not have to happen. It is a daily thing that we must commit ourselves to. Salvation happens in an instant, Sanctification takes a life time of listening to God, and then following along the path. I know we have passed Easter, but the truth still remains, Jesus had to go to the cross to complete God's plan for Him. Jesus had to suffer in the flesh to fulfill the eternal plans of God. There could not have been a lukewarm answer from Jesus that day, He had to decide, am I going to give in and not do God's will, or am I going to bear this cross to fulfill the desires of God above all else. The question remains the same for us today. Are we willing to bear our cross to follow after God? We must not be lukewarm, we must decide, *"I know all the things you do, that you are neither hot nor cold. I wish that you were one or the other! 16But since you are like lukewarm water, neither hot nor cold, I will spit you out of my mouth! (Revelation 3:15-16)"* We must be willing to do anything to follow God, we must be willing to give up and surrender, even at the highest cost to self. With all that said, also remember the silence the day after the cross. There will be a Saturday in your life after you have nailed the desires of the flesh to the cross, you may be wondering if that was the right thing, did I do all this in vain, but take heart! Sunday is coming for you and me too, but only after we have surrendered to the cross. Only after we have been through the darkness of the pain, of dying to self, then and only then can the glorious light shine! We shall be rewarded greatly for our willingness to follow God at all cost. That is His promise to us, proved by the resurrection of His son!

Grab hold of that resurrection power, grab hold of a life filled with moments to trust, and to act,
jason
