Community Breakfast

This Saturday, April 21, 2018, Thomaston First United Methodist Church invites the community to our church for our hot, delicious community breakfast. The breakfast is free. We do need servants to help cook the meal and welcome our guests. As I preached on Sunday, there is a need and our response is mercy and kindness. I will be there and I hope to see you there as well. It is a very humbly experience to serve someone else. I hope to see you Saturday at our Community Breakfast.

See you in church Sunday!
 Pastor Eddie

RUSH WEEKEND May 12th

Have you ever just needed God to spell it out plain as day for you? Have you ever been so unsure that you question everything? You are just lost, you know where God is, you know where you are, yet you don't know the next step with certainty. Yet you are so scared to not be doing what God wants you to do. I know faith comes in, but have you been so scared that you will not chose the correct path to go in the direction God had planned for you? You see signs and you think things are lining up as you look back over time, yet you still are so unsure. Have you tried to rule out emotion and just rely on the facts, yet you still feel lost as to the next step. Well join my club, I am right there with you. They say in survival training that the first thing you should do once you realize you are lost, is to stop and be still, to look around and take in all that is around you. You are not to keep wondering in hopes of finding the way out. You are to stop and wait for rescue! I believe that is just what I am going to do, and I think it might just work for you too! Sit still and wait on God. He has you, and He has me right where He wants us for this moment. In that moment let us do our best to bring glory to Him.

In the simple mundane of life as we wait on the Lord, let's do all the good we can, let's be the light in the dull grey of ordinary life!
