VBS JUNE 4-8th

Dear Church Family and Friends,

At Rolling River Rampage VBS, your students will discover an interactive, energizing, Bible-based program that leads them to experience the ride of a lifetime with God! During Vacation Bible School at Rolling River Rampage, your students will become spiritual Rafters and explore how to serve God and God's mission for their lives.

After a high-energy Opening Assembly, Rafters make their way to the Bible Story Station. Interactive Bible lessons reveal Rapid Reminders to equip your Rafters for an active life with God. Your Rafters will also discover and commit to heart a Rafting Ready Verse that will remain with them in their faith long after VBS.

Rafters will expand on what they've discovered by participating in a variety of activities: making art projects at the Craft Station, singing new songs at the Music Station, exploring the wonders of creation at the Science Station, playing fun and relevant games at the Recreation Station, and enjoying tasty snacks at the Snack Station. Along the way, Rafters will hear about our mission project and will be invited to participate as they put their faith into action!

Join us from 5:30pm to 8:30pm each evening. Supper included! And bring a Friend!!!

Rampage Team

Over the past few weeks we have been talking about the "Fruit of the Spirit" at youth and what we have come to solidify is; it's impossible to have this fruit without the work of the Holy Spirit inside us. The "fruit" is something we can't make on our own! An apple tree does not sit daily thinking and thinking, I'll make an apple, the apple just naturally comes once the tree has grown and matured. We can't make the Fruits of the Spirit occur in our lives by sitting and thinking over and over again either. We must be plugged into the Holy Spirit. We must let the will of God transform us. If we are connected to the Spirit, the fruit will be just a natural outburst of the goodness of God. Stop beating yourself up because you want more of the fruit evident in your life, and start growing closer to God. In that growth, the fruit will bud and mature, all the while you are resting in the love of God.

Its impossible with man, but ALL possible with God.
