PRAYING FOR OUR SCHOOLS

Saturday, July 28 9:00 AM

Upton Lee Middle School

Join us as we pray for God's blessing and protection over the students, teachers, administration and staff of the Upton Lee Schools for the year 2018-2019. We will begin at the Middle School and then divide up and go to the other schools. This is very important that we pray for our schools. We don't want our schools to be on the 6:00 PM news for some negative event. This will take about 30 minutes. I hope to see you there.

Have a blessed week!

See you in church on Sunday
Pastor Eddie

Sleeping bag and pillow

In Numbers it talks about the Israelites held contempt for God due to the "issues", and "suffering" of the great journey into the promised land. We find them complaining about all manner of things, even thinking back to the time of captivity, and oppression and how they had it then, they called that good! Do you find yourself complaining to God a lot about the life and the situation you are in? I have been guilty of that! If you keep reading in Numbers you realize how upset that type of thinking makes God. You see that He recalls all the wonders He did for them, and the ultimate gift of freedom from slavery. Sound familiar to you? God has done mighty wonders for you and me! He has given us freedom from sin and death in the life of Jesus. Yet we all too often grumble and complain about this life. Today let's try it another way, let's think of all the good God is doing and has done. Let us remember most, that truly all we really need in this life to fill all the voids, and the desires we could ever have, is the one true GOD! With Him we already have the greatest of possessions. Let us think more of that than on what we are lacking.

I bet you will smile more! I'm smiling now as I type this!
think of God's love, and see if that doesn't make you smile
too!
