Legacy Resolution

Monday, July 16, at 6:30 PM we will have a called Charge Conference during our Administrative Board meeting. The purpose of the Charge Conference is to approve the Legacy Resolution. Before I became pastor of Thomaston First United Methodist Church, the Administrative Board approve sending \$5,000.00 to the Methodist Foundation for them to invest. The thought was that as the fund grew, eventually the church could use part of the interest to fund ministries that are not in the budget. While the foundation has our money, we have to approve in a charge conference a resolution detailing what the foundation will do for us over the next two years. At the end of two years, the church can evaluate the process. The hope is that other people will give to the fund so it would grow. Anyone is welcome to ask questions. Only the Administrative Board will have a vote the board would welcome your opinions.

See you Sunday at church
Have a blessed week
Pastor Eddie

MUST LET ME KNOW BY WED. JULY 11th

Well, I started my beach trip off with a speeding ticket! I was following a truck in a 65 MPH area and it dropped to 55 MPH. I just kept right on behind the truck, just rolling along; until I saw blue lights! As I was sitting there, it hit me just how easy this type of thing can happen to us all when we deal with sin.

We just follow along without seeing the signs that are warning and directing us. When we follow others without looking up or around we will find we are being led down paths we never wanted to go, and are in the middle of something before we can back out. Life is a series of choices from second to second. Keep your eyes on Jesus, and remember the Bible says the Devil is lurking at every turn. Keep the word of God close to you, and live out the faith in all that you do.

Take it from me, it will cost you dearly to not be on the look out for sin!
